6

Man O Wars Gates

7

Into Bicentennial Park

8

Past the toilets & water

9

Pioneer Parade and Bicentennial Pond

10

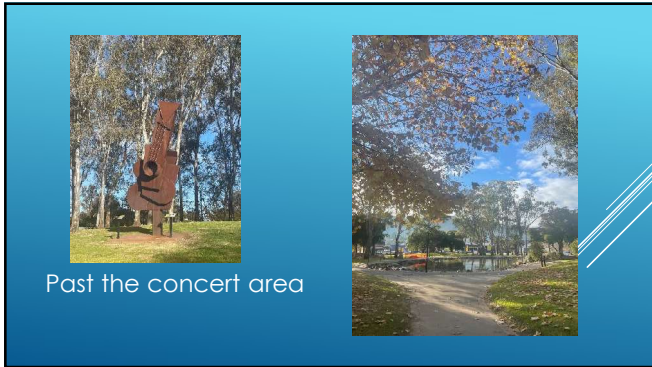

Onto the river footbridge

11

Back across the river and into Bicentennial Park

12

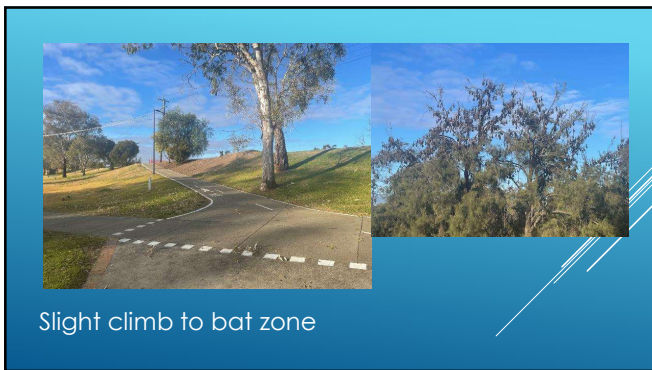

Past the concert area

13

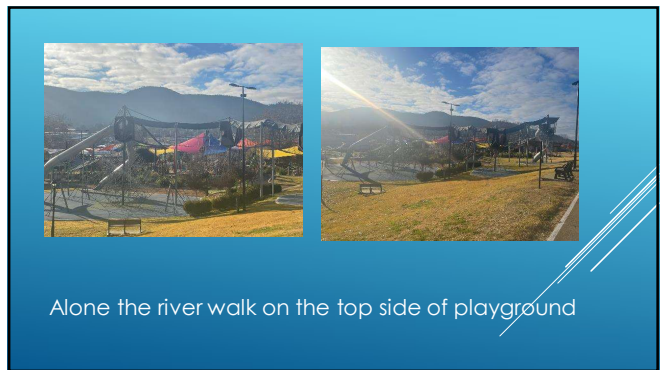

Past the opposite side of the duck pond

14

Slight climb to bat zone

15

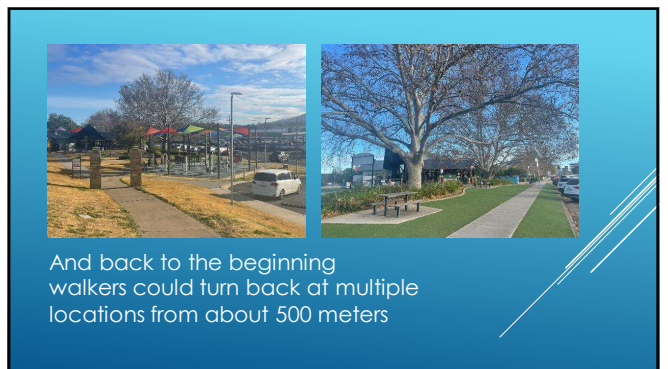

Along the river walk on the top side of playground

16

Planned new walk could be added probably only about 300 meters

17

And back to the beginning
walkers could turn back at multiple
locations from about 500 meters

18
